

MAAS Engineering Contracting & Trading

SME-RIYADA APPROVED

MAAS Engineering Contracting & Trading

COMPANY PROFILE

Ahmed Bin Said Al Saadi Trading (MAAS) is a multidisciplinary Company established in the year 1998 as a member of SME and holding Riyadh Certification. MAAS provides services in various industries like small scale fabrication, general contracting & construction, maintenance services, water supply line and sanitation, road construction and manpower supply etc. With on boarding of former team members from **Bilad Oman LLC – Suhail Bahwan Group Dy.** Production Manager Mr. Satheesh Chandran N R & Sr. Project Engineer Mr. Lalchand Borhade, we have strengthened our experience and technical knowledge. After evaluating the requirement of our Customers, we expanded our portfolio in to the field of industrial fabrication and re-branded the company from MAAS to MAAS Engineering Contracting & Trading. The strength & Backbone of our rapid growth has been primarily due to the MAAS strict adherence & uncompromising attitude towards quality, workmanship & timely completion of all work undertaken.

OUR VISION

To be a professional and trustworthy engineering contractor to provide quality products in time with most reliable and innovative service.

“Let’s Join For Better Tomorrow”

OUR MISSION

Commit to service in the field of fabrication and erection while utilizing latest technologies. Our team work will provide excellent service resulted in a high quality product with in the required time.
